## Celebrating Nationalism and the End of the Civil War at the Library

**This year our nation commemorates the 150th anniversary of the end of the Civil War. In the Gettysburg Address, President Abraham Lincoln declared “that this nation shall have a new birth of freedom; and that this government of the people, by the people, for the people, shall not perish from the earth.”**

**Join the Talking Book Centers for the Adult Winter Reading Program to explore America's greatest national crisis, and discover its relevance to today's world.**

**Participants will be sent a program catalog filled with engaging reads from bestsellers and memoirs to stories of adventure, romance, mystery and more, all in celebration of this significant anniversary and the rebirth of our nation.**

**Read at least 10 books from the reading program guide and return your completed reading log to the library by April 20, 2015, to be entered into a multiple grand prize drawing.**
